

FROM THE CHAIRMAN'S TABLE

CHAIRMAN'S TABLE

Wow, time truly does fly, as we almost reach the end the 3rd quarter of this year. It is with great pleasure that it is my chance to address our valuable readers.

It is with great sadness that we had to say good-bye to Mr. Francois Bignaut, who resigned from the LEEASA Board and are happy to welcome Mr. Kevin Reckas as his replacement. We look forward to working with you.

From the 18 - 20 July 2023 the KwaZulu-Natal Industrial Technology Exhibition (KITE) was held and we held our conference there. It was well attended and we received great feedback from the attendees as we try and supply each event with interesting topics and presentations.

Should you have any topic suggestions or interests in a specific topic and would like to see it presented at one of our Conferences, please forward them on to us and we will do our best to find a suitable Industry Expert to present on them. We strive to supply our attendees with fresh and new topics all the time.

Last month we received a notification that ECSA (The Engineering Council of South Africa) requested an Audit, which we welcomed. LEEASA was audited based on the ECPD requirements and to the following Standard No: ECPD-01-STA (Standard for Continuing Professional

Development). We are happy to share with you that we had a clean audit.

Feel free to reach out to the board members if the need requires.

Chairman:

Ashley Davis | ashley@leeasa.co.za

Vice Chair:

Andries Agenbag | andries@leeasa.co.za

Treasurer:

Surita Marx | surita@leeasa.co.za

Ordinary Members:
