

FROM THE CHAIRMAN'S TABLE

In wishing you a happy and successful 2025, the LEEASA board of directors hope you all had a safe and enjoyable festive season, feeling rejuvenated and ready for a bumper year ahead.

As we enter the New Year, LEEASA has been hard at work planning and developing our service offering, gearing up to give you the best support you may need to achieve your goals.

Regarding the proposed General Manager position, we have reached a shortlist of applicants and feel confident that we will be able to confirm the successful applicant within the next month. This is an important position, responsible for the day-to-day functions of the Association, developing new initiatives and designed to provide the best possible support and communications for our members.

The unique sheave gauge sets that were developed by LEEASA are at last freely available and proving to be popular. This very practical tool enables one to quickly and easily measure sheave groove diameter, which has a significant impact on wire rope service life. These sets cover the full range of rope diameters from 8mm to 58mm. If you wish to purchase a set, please contact Des on admin@leeasa.co.za for details

During this year we will be developing additional inspection tools to assist members to provide efficient and accurate measurement and assessment. Details will be provided shortly.

LEEASA has appointed a consultant to assist with the improvement and development of our website during the first quarter of 2025. This will have important features such as easy online purchases. We will advise you as these features become available.

In the last quarter, LEEASA provided training to some of the Department of Employment and Labour Inspectorate. They have a very wide scope of work to cover and our role has been to provide them with the knowledge and information relating to lifting equipment, concerning best practices, audits, documentation of LME's and LMI's, conformance with standards and lifting safety in general. We intend to provide this training for DEL inspectors in other areas over the next few months.

We continue to be active on various SABS technical committee

and will keep you informed of any important aspects or developments.

We are committed to giving members better access to, and communication with, LEEASA by rolling out roadshows, meetings and seminars in all provinces during 2025. Our aim is to give all members access to LEEASA services and training, no matter which province they may reside in.

LEEASA has embarked on a concept to produce useful training information in the form of short videos, probably available to members through social media such as Facebook or LinkedIn. Watch this space!

We are engaging with ECSA to address a range of important aspects of the lifting industry, aiming to improve understanding and enhancing safety and efficiency.

Should you have any suggestions or proposals concerning LEEASA or the lifting industry in general please feel free to reach out to any of the board members

We will finalise the LEEASA calendar of events for 2025 to be rolled out by end of February 2025.

Well, the Chairman's table is pretty full, with an exciting year ahead. May this be a positive and safe year ahead for you, enjoying lifting with LEEASA partnership and support.

Chairman: Kyle Graham: kyle@leeasa.co.za

Vice Chair: Ashley Davis: ashley@leeasa.co.za

Ordinary Members:

Francois Weideman: francoisw@leeasa.co.za

Roger Day: roger@leeasa.co.za

Katiso Mogaki: katiso@leeasa.co.za

Carlos Marques: carlos@leeasa.co.za

Administration: Desiré Davis: admin@leeasa.co.za

Marketing and Design:

Xané Roestroff: production@leeasa.co.za

Feel free to reach out to the council members if the need requires.

Yours in SAFE LIFTING,

Roger Day and the rest of the LEEASA team.
