Dear Mr Davis

**RECOGNITION AS A VOLUNTARY ASSOCIATION IN TERMS OF SECTION 25 OF THE ENGINEERING PROFESSION ACT, 2000 (ACT NO. 46 OF 2000)**

It gives us great pleasure to inform you that the Engineering Council of South Africa (ECOSA) recognises the **LIFTING EQUIPMENT ENGINEERING ASSOCIATION OF SOUTH AFRICA (LEEASA)** as a voluntary association, in terms of Section 25 of the abovementioned Act, with effect from 19 July 2024.

The decision to recognise **(LEEASA)** is in line with the Voluntary Association framework gazetted in May 2017 in Government Gazette No 40827. This framework is subject to a review and your association may be required to reapply for recognition once the gazetting of the revised framework is completed.

Your attention is directed to the provisions of Section 25 of the Act, the most salient extracts of which are quoted below:

**“25.**

*(4) A certificate of recognition is valid for a period of five years from the date of issue.*

*(5) A voluntary association must display its certificate of recognition in a prominent place at its head office.*

*(6) The recognition of a voluntary association lapses—*

*(a) if that association no longer complies with the requirements contemplated in section 14(d); or*

*(b) at the expiry of the five-year period referred to in subsection (4)*

*(7) A voluntary association must, at least three months prior to the expiry of its recognition, apply in the prescribed manner to the council for the renewal thereof.*

(8) *A voluntary association whose recognition has lapsed must, within 30 days from the date on which it is so directed in writing by the council, return its certificate of recognition.”*

I would like to extend the Council’s sincere wish that this association will go from strength to strength.

Please be advised that your association will receive the updated recognition certificate with recognition number (**VA A0028**) under a different cover. This recognition number should be quoted on all correspondence with ECSA going forward.

Yours sincerely,

Ivan Horner  
ECSA
